

V MAKRAMÉJU SE SREČUJEMO RAZLIČNI USTVARJALCI IZ TE IN ONE STRANI GRADAŠČICE.

V vitrinah so tako na ogled in v užitek slaščice raznih vrhunskih
slaščičarskih delavnic.

Torte in pite, mono tortice in gibanice ter jabolčne zavitke
prav takšne, kot jih poznamo od nekdaj, ustvarja naša
slaščičraka Tanja Drinovec pod imenom Umami. Izpod
njenih rok prihajajo tudi ježki in tiramisu.

Takšne klasike, kot je kremna rezina smo zaupali Katji
Bidovec iz Rendez Vous, ki redno skrbi tudi za presno
veganske dobrote. Za vse nostalgike pa so na voljo tudi
indijančki.

Na nasprotnem koncu časovnice stoji najmlajša ustvarjalka,
Manja Pergar, s svojimi cake-popsi ter kremnimi lučkami, ki
prihajajo iz delavnice Njama iz Friškovca.

In ko je čas za sladoled, polovica okusov prispe iz Trnovske
ustvarjalnice Ta Strletov sladoled in polovica iz Kosez iz
delavnice Joni. Na obeh koncih Ljubljane velja zapoved
uporabe izključno naravnih sestavin.

Domače čaje nam nudi Kmetija Majnika, kjer zelišča pridelajo
ročno iz tekoče sezone in ne vsebujejo ojačevalcev arome in
umetnih barvil, so edinstven del narave ter predanega dela skozi
letne čase. Popolnoma naravno in BIO z DEMETER oznako.

Rogljčke peče naš prijatelj Klemen iz slaščičarne Klemen.

Zajtrke smo zadržali zase. Sestavimo jih sveže vsako jutro
pri nas na Eipprovi. Takoj zatem, ko prav tu iz čičerike
nastane humus.

In potem vsi mi, ki se smukamo okoli miz, poskrbimo za to,
da so vse dobrote pospremljene do vaše mize z nasmehom
in dobro voljo!

MAKRAMÉ

AT MAKRAMÉ WE REPRESENT AN UNIQUE
INTERLACEMENT OF IDEAS, COMING FROM VARIOUS
CREATORS, FROM ALL RIVERBANKS OF GRADAŠČICA

Therefore our glass showcase allows you to admire and indulge in a various set of
exquisite pastries, made in the best of the best pastry shops of Slovenia.

Cakes, mono cakes, pies, layered cakes from Prekmurje and apple strudels,
just like we have always known them, are created by Tanja Drinovec under
the name Umami. Our delicious Tiramisu is also coming from her hands.

Another classic, our cream cake is entrusted to Katja Bidovec from Rendez
Vous, who is also regularly supplying us with raw vegan treats. For all the
nostalgics, her tasty indijančki or marshmallows are also available.

At the opposite end of our timeline stands the youngest creator, Manja
Pergar, with her cake pops and creamy popsicles, coming from the Njama
pastry shop, from Friškovec.

When the time for indulging in an ice cream comes, half of our ice cream
flavours come from a local Trnovo workshop, named Ta Strletov sladoled.
And the other half comes from Koseze, from Joni's workshop. Both of them
are exclusively using only natural ingredients.

Our delicious, organic, homemade tea is offered by the Majnika farm, where
all herbs are hand-picked from the current season and do not contain flavour
enhancers or artificial colours. Their herbs are all an unique part of nature
and a result of their dedicated work throughout the seasons.

Croissants are made by our friend Kelemen from Klemen pastry shop.

And the best news for last... we decided to keep our legendary breakfasts
in the offer! They are assembled freshly every morning here on Eipprova.
Right after we turn chickpeas into a delicious hummus spread.
