

## V MAKRAMÉJU SE SREČUJEMO RAZLIČNI USTVARJALCI IZ TE IN ONE STRANI GRADAŠČICE.

V vitrinah so tako na ogled in v užitek slaščice raznih vrhunskih slaščičarskih delavnic.

Torte in pite, gibanice, jabolčne zavitke prav takšne, kot jih poznamo od nekdaj, ustvarja Tanja Drinovec pod imenom Umami. Izpod njenih rok prihajata tudi mono tortici Ronja ter tiramisu!

Preostale mono tortice in makrone v svojem prepoznavnem stilu prinese Zebra patisserie chefa Tomija Češka.

Takšne klasike, kot je kremna rezina smo zaupali Katji Bidovec iz Rendez Vous, ki redno skrbi tudi za presno veganske dobrote. Za vse nostalgike pa so na voljo tudi indijančki

Na nasprotnem koncu časovnice stoji najmlajša ustvarjalka, Manja Pergar s svojimi cake-popsi, krofki na palčkah in kornetki ter kremnimi lučkami, ki prihajajo iz delavnice Njama iz Friškovca.

Ker se ob odlični kavi še kako prileže piškot ali dva, so tu veganski Drožoškoti, seveda točno tako, kot govori že ime, z drožmi.

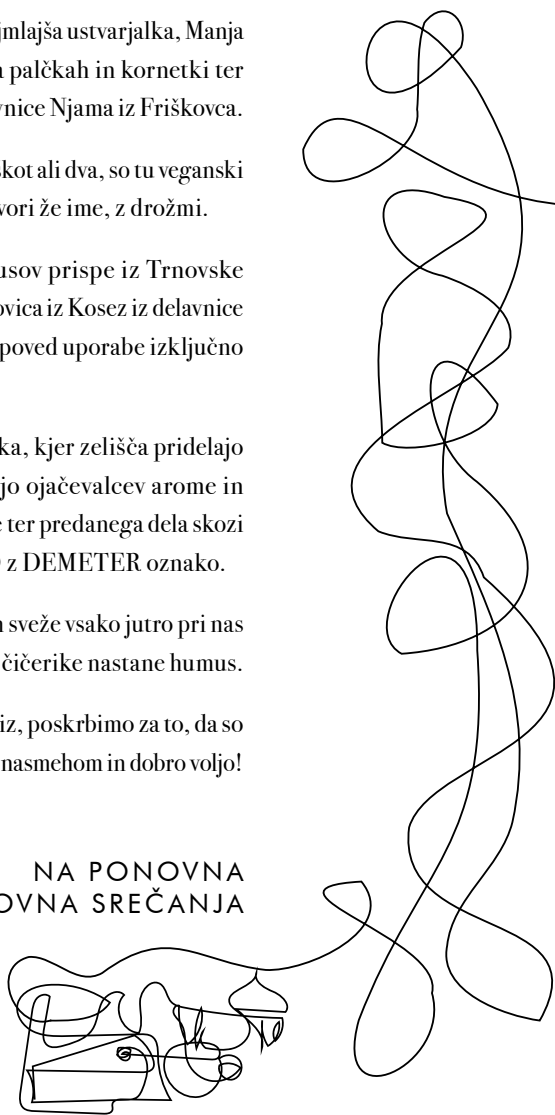

In ko je čas za sladoled, polovica okusov prispe iz Trnovske ustvarjalnice Ta Strletov sladoled in polovica iz Kosez iz delavnice Joni. Na obeh koncih Ljubljane velja zapoved uporabe izključno naravnih sestavin.

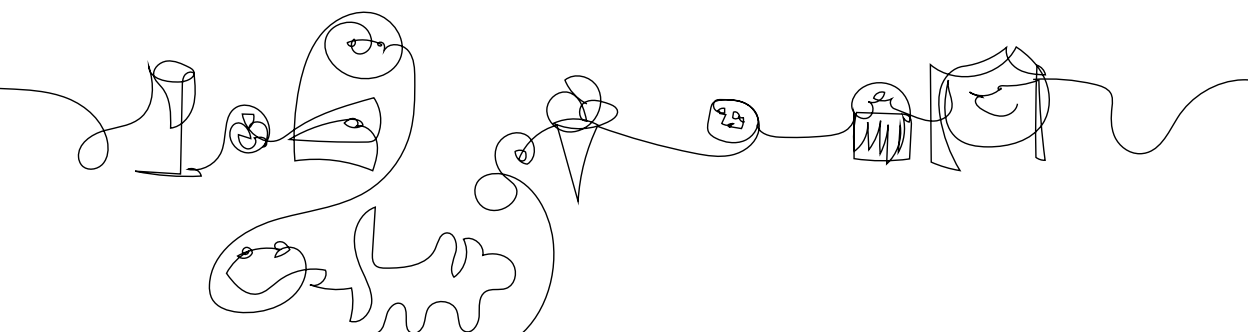

Domače čaje nam nudi Kmetija Majnika, kjer zelišča pridelajo ročno iz tekoče sezone in ne vsebujejo ojačevalcev arome in umetnih barvil, so edinstven del narave ter predanega dela skozi letne čase. Popolnoma naravno in BIO z DEMETER oznako.

Zajtrke smo zadržali zase. Sestavimo jih sveže vsako jutro pri nas na Eipprovi. Takoj zatem, ko prav tu iz čičerike nastane humus.

In potem vsi mi, ki se smukamo okoli miz, poskrbimo za to, da so vse dobrote pospremljene do vaše mize z nasmehom in dobro voljo!

AT MAKRAMÉ WE REPRESENT AN UNIQUE  
INTERLACEMENT OF IDEAS, COMING FROM VARIOUS  
CREATORS, FROM ALL RIVERBANKS OF GRADAŠČICA

Therefore our glass showcase allows you to admire and indulge in a various set of  
exquisite pastries, made in the best of the best pastry shops of Slovenia.

Cakes, pies, layered cakes from Prekmurje and apple strudels, just like we have  
always known them, are created by Tanja Drinovec under the name Umami. Our  
delicious mono cakes Ronja and Tiramisu are also coming from her hands.

The rest of our mono cakes and macarons with their recognisable style, are brought  
by Zebra patisserie by chef Tomi Češek.

Another classic, our cream cake is entrusted to Katja Bidovec from Rendez Vous,  
who is also regularly supplying us with raw vegan treats. For all the nostalgics, her  
tasty indijančki or marshmallows are also available.

At the opposite end of our timeline stands the youngest creator, Manja Pergar, with  
her cake pops, donut pops, ice cream cones and creamy popsicles, coming from the  
Njama pastry shop, from Friškovec.

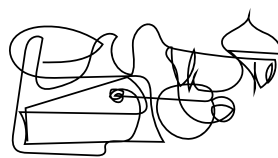

We are aware, that an excellent coffee always calls for a cookie or two. Luckily,  
there are vegan Drožoškoti, made with sourdough.

When the time for indulging in an ice cream comes, half of our ice cream flavours  
come from a local Trnovo workshop, named Ta Strletov sladoled. And the other  
half comes from Koseze, from Joni's workshop. Both of them are exclusively using  
only natural ingredients.

Our delicious, organic, homemade tea is offered by the Majnika farm, where all herbs  
are hand-picked from the current season and do not contain flavour enhancers or  
artificial colours. Their herbs are all an unique part of nature and a result of their  
dedicated work throughout the seasons.

And the best news for last... we decided to keep our legendary breakfasts in the  
offer! They are assembled freshly every morning here on Eipprova. Right after  
we turn chickpeas into a delicious hummus spread.

TO SEEING EACH OTHER AGAIN  
AND AGAIN, YOURS MAKRAMÉ
